Health Dept. Feels Money Crunch

Due to the shortage of funds and the necessary cutbacks to balance the health department's budget, the following services will be either cut back or eliminated in the following manner, with the appropriate personnel laid off to balance the budget for this year.

1. The immunization clinics, which last year gave over 11,600 immunizations to the citizens of Coffee County, will be cut from eight clinics a month to two clinics a month, with one clinic in Enterprise and one clinic in Elba. Individuals receiving services will be served on a first-come, first-serve basis. This will be a reduction from the 11,600 given to approximately 2,000 to be given for this coming year.

2. Maternity Clinics and services will be discontinued.

3. Child Health Clinic and services will be discontinued.

4. The possible discontinuance of issuing birth verification and death records. Approximately 3,000 of these are issued per year. Individuals requesting birth verification cards will be given a form to submit to Montgomery, at the fee of \$3.00 per issuance, for certified birth and death records.

5. The reduction of Environmental Protection services by 50 percent. "In discussing this cutback with the Environmental Supervisor, said Health Services Administrator, Kenneth Ball, "I have been informed that restaurant and food establishment inspections will be made on a priority basis and that this division will not be able to maintain the one-month inspection and adequate sanitary levels of eating establishments in Coffee County. Special restricted schedules inspections, new construction approvals, water sampling, and other developmental policies will be further stated."

Mrs. Boyce, Mr. Bruce Capture Local Honors

Mrs. Linda Boyce and Mr. William Bruce, Jr., were

selected as Elba's Woman and Man of the Year Saturday

night at the Pilot Club's fifth Annual Awards Banquet.

Also honored were Police-

born; Firemen of the Year -

Bradshaw; Rescue Squad member of the Year - Fred Moore;

Mrs. Sellars, Mrs. Boyce, Mr. Bruce, Mr. Ralner

County Commission Left Holding Bag On \$12,000 Payment To Retired Tax Assessor Donaldson

The Coffee County Commission has been left holding the bag on a controversial \$12,000 payment to former Tax Assessor, Fred Donaldson, following a ruling by the State Revenue Department this week. It was announced at Monday's commission meeting that the state had disapproved the payment, and that it would not pay its share of the bill.

The \$12,000 payment was made to Donaldson by the county after the former Tax Assessor took legal action to regain alleged losses he incurred during the property reappraisal program. Donaldson stated he was forced to hire extra help and work countless hours during the reappraisal, and that all the added work caused him serious financial problems.

Rowe says, "No, not my picture, please!"

The Commission delayed any action on Donaldson's request for several weeks last year, but finally agreed on a settlement after meeting with various county and city officials. The local officials all said the payment should be made and vowed to pay their share; however, when the county asked the state for their standard payment of 1/6 of the bill, the state refused and announced it had disapproved the payment. The Commission is now left with a \$12,000 debt nobody wants to pay!

The commissioners stated that all local agencies should have to pay their share, and reported they would send a bill to each agency seeking payment.

Rowe says, "No, not my picture, please!"

Monday's meeting began at 10:00 a.m. at the Elba courthouse with all commissioners present except Max J. Reeves. Present were Commissioners Glen Grant, Rex Boutwell, Jack Hornsby, Don Smith, and Bennie Beckham, and Probate Judge James L. Sawyer.

The first order of business was to open proposals for the lease/purchase of a front-end loader. The various dealers present got into a discussion with the Commission and attempted to get it to clarify the word, "proposal." All the dealers present reported they gave a base bid, and not a proposal with a 5-year service warranty, as asked for. Due to the confusion, the Commission voted to reject all bids and to advertise for bids to be opened at the next regular meeting.

Rowe says, "No, not my picture, please!"

The Commission also rejected the only bid received for the purchase of two dump trucks. County Coroners Marvin McIlwain and Danny Bradley met with the Commission and asked for an expense allowance.

"We cover this entire county," said McIlwain, "and we would like to ask if you could furnish us with a monthly allowance. We are on call 24 hours a day, 365 days a year, and the only way we get a \$12.50 per call and only 15 cents per mile for gas. We're asking for \$100 each, per month, for expenses. We think it is a fair amount."

Rowe says, "No, not my picture, please!"

In the added expense, and after no one had an answer, the Commission stated it would check on where the money would come from and report its findings at the next meeting.

County Attorney Bratton Rowe addressed the Commission and stated, "We are bidding for time on the impending lawsuit. In 1907 the Commission was ordered to build a jail in Enterprise, and there is no such jail present. The Commission has the authority to levy a special excise tax to construct public buildings, and the law also states the Commission can 'levy taxes to repair buildings.' The law states you shall construct a jail in the Enterprise division," said Rowe, "and you have the power to impose a tax to pay for its construction. The law states clearly that it is the duty of the county officials, where adequate jail facilities are not present, to levy a tax to repair or rebuild the jail. If the Commission fails to levy a tax where the jail is not adequate, it is guilty of a misdemeanor and can be fined."

Rowe says, "No, not my picture, please!"

being used is filled, and a new site is needed urgently. The Commission reported it would like to have at least three proposed sites, and that it would lease or buy the needed land.

In other action at Monday's meeting, the Commission:

- ***was informed the State would pay for the computer terminal used at Elba for the issuance of driver's license (it was earlier reported the county must cover the expense);
- ***received a good report on the landfill (A score of 223 out of a possible 270);
- ***concurred with a Federal grant of \$264,000 to Human Resource Centers;
- ***was read a poor jail report that pointed out no recreational facilities, no educational facilities and no exercise yard - (Commissioner Don Smith simplified the report by saying "The jail is a mess!");
- ***heard Leslie Mullins report it would cost \$200,000 to do needed roadwork on county roads 43, 45 and 14, and also heard Engineer Mullins state "We've got to save what we've got or plow 'em up!";
- ***agreed on the need for a bush hog in every district;
- ***was told a slab must be replaced at Holley Mill Creek Bridge, and that a total of 18 slabs are cracked;
- ***was informed a Roadbank Stabilization contract has been let on County Road 14, and; ***agreed minutes.

The Commission will meet in Enterprise for the next three months, at 10:00 a.m. on the second and fourth Monday of each month.

BRAINSTORMS

With Fern Cox

Ye ole editor received a letter this week from a local woman who said she was a "born-again Christian." We surely don't challenge that statement. She was upset over my Sunday fishing, keeping my son out of church to go with me, and then that I had paper. Long ago we realized there is no way for us to be or do things to please everyone, so we just do, and try from time to time for a better "doing." We surely don't intend for others to be insulted when we poke fun at ourselves with happenings that frankly are sometimes a case of bending the truth facts. We do fish on Sundays at times, and we also take pictures at churches on Sunday (when asked by church folks). I am sorry, but to me, neither is wrong. We do harbor some strong religious beliefs that are not always apparent, and obviously vary from those of our lady reader. The criticism of me for taking my son fishing instead of church was another point we seem to disagree on a great deal. This lady is a farm wife and is exposed daily to the miracles around her, as plants, animals and people grow and bear fruit. My feelings about the many beauties of nature a child can be exposed to in the woods or on the water are feelings of joy when another of these wonders of nature, large or small, crop up before us. The fishing is more of an excuse to be exposed to these than for the little meek and meek. Ye ole editor feels that a mix of seeing these wonders of nature and reading about them in church give the child something to relate to on the next lesson and in everyday life. A playful squirrel, turkey or feeding deer; family of ducks swimming in a quiet cove with turtles sunning on a log; beavers swimming or alligators lying quietly, and even snakes on an overhead branch near the horse's nest are a part of life many people only know about because someone told them it was part of God's plan. . . but not my ten-year-old, 'cause he has seen these things himself. Some of it on Sunday, but not too much to prevent him from singing in the children's choir at church. I would be the last to claim perfection but I ain't all that bad, either. . . I hope.

We keep reading proposals to use military force to insure we keep getting oil from the Middle East. This just ain't right, even though they definitely have the advantage over us. Turn the idea around and see how we would feel if the Russians used military force to insure we continue selling them guns, computers or something else. The better solution would be for us to learn to get along without their oil.

Last Saturday night at the Man-Woman of the Year Banquet, several of the folks at the table took the opportunity to take some cutting remarks at me and then smile. Well, I made some notes as they enjoyed their little remarks, and if I don't get a chance sooner, they will surely be remembered in my will. It all started when I was about to slip back to the food line and get some more of those good groceries. Just as the plan became firm in my mind, a smiling lady announced there was plenty of food for me, called my name over the loud speaker. Agnes, you are at the top of my list, even above Jimmy Holley and Lamar Rainer. But, you are in good company, 'cause before the night was over, I added some other names.

We have been a little ashamed of the paper we have printed for the last several months. We calculated the life of the newspaper equipment used to compose the newspaper, and did it wrong. This week we have finally got the machines replaced and are using the new computer. Thanks for not complaining too loudly.

The daily papers carried a news article recently indicating researchers have found an important clue in the search for a cancer cure or prevention. They feel they have found the cancer preventive in the blood system, and even though further tests are needed, they are thinking positive. So are we.

Jimmy Carter is being proposed for the Nobel Peace Prize. Well, a year or so ago the leaders of Egypt and Israel were awarded the prize for bringing peace to their countries. Now, there is talk of giving it to Carter for agitating peace to the two countries. We don't quarrel with efforts toward peace, but neither do we believe anyone has stopped fighting that has continued from the beginning of recorded history. Also, the carrot Carter offered was U. S. dollars. . .

Representative Jimmy Holley apparently upset some members of the Coffee County Commission more than he admitted when he bucked at taking the rap for them on a sales tax proposal. When they thought the county was going to be billed for the second driver's license machine, it was all Jimmy's fault. . . even his idea to secure the second machine, even though Senator Miller helped. Well, Jimmy just smiled and handed things in Montgomery so that the state is paying for the machine. The Commission accepted the offer, but failed to even mention that Representative Holley existed. If a newspaper does this, it is called yellow journalism, but with the commissioners, I guess it is just politics.

Go On Bike-Hike For Project Independence

The New Brockton Jaycees are sponsoring a Bike-Hike this Saturday, March 31. Participants will be from New Hope, Zion Chapel, Goodman and New Brockton.

Registration starts at 1:00 p.m. Saturday at the New Brockton High School. Seventy percent of the money collected will go to Project Independence of New Brockton. The person receiving the most donations will be awarded a bike, which has been donated by Cook Chev-

rolet of Elba. Also, a trophy will be awarded to the school raising the most money, and for the most unusual entry.

Pictured with the bike are Ken Farris, President of the New Brockton Jaycees, James Foster, President of the New Brockton Senior Club, and Stanley Walker, Principal of the New Brockton High School.

Gravestone services were held at Curtis Baptist Church Cemetery on March 28, 1979, at 11:00 a.m. with Rev. Billy Henderson officiating. Hayes Funeral Home directed.

DEATHS

INFANT DEREK DE VANE PAUL

Infant Derek DeVane Paul of Enterprise, died March 26, 1979, at the Pensacola, Florida, hospital.

The infant was born in Coffee County, the son of Mr. and Mrs. Martin Bentley Paul, (the former Kathy Darlene Stephens). Other survivors include one brother, Eric D. Paul, of Enterprise.

Gravestone services were held at Curtis Baptist Church Cemetery on March 28, 1979, at 11:00 a.m. with Rev. Billy Henderson officiating. Hayes Funeral Home directed.

CARD OF THANKS

The family of James Richard Swain wish to offer gratitude and thanks for your many kindnesses during the time of bereavement.

Only the tender love of God and His gentle consoling Holy Spirit can excel the comfort that was brought into our lives by you.

H. G. SWAIN

ESJC Short Courses At Elba, Brockton, Kinston

Twelve short courses designed for self-improvement, leisure, spring fun, and improved job skills are scheduled by Enterprise State Junior College in Elba, New Brockton, and Kinston according to Mrs. Mary Bauer, director, Continuing Education.

"We offer courses in these communities to bring our facilities closer to those who wish to take advantage of them," Mrs. Bauer said. A registration deadline (one week prior to starting date) for each course has been set. Registrations for these courses must be made in person or by mail at the business office of the ESJC campus in Enterprise. Ten or more persons must enroll for a course by the deadline date or the course will be cancelled and fees refunded. When ten or more are enrolled registration is extended to the first class meeting.

Courses offered in Elba and New Brockton are under the direction of Lucy Brueckner. She will provide information on these courses to anyone calling her at 897-5070.

Courses offered in Elba, with meeting time and days, place, and starting date are: PREPARATION FOR THE GED TEST, 5 to 9 p.m., Tuesdays, Elba Elementary School, March 27; FITNESS & FIGURE CONTROL, 8:30 to 10:00 a.m., Mondays and Thursdays, Elba Methodist Church, March 28; FITNESS & FIGURE CONTROL, 6:30 to 8 p.m., Mondays and Thursdays, Elba High School, March 28.

Six courses will be offered at the Farm Center in New Brockton. Courses with meeting time and days, and starting date are: BEGINNING SEWING (Unit 1), 6 to 9 p.m., Tuesdays, March 27; ADVANCED MICROWAVE

COOKING (Minimum 20, Maximum 30), 6:30 to 8:30 p.m., Tuesdays, May 1; INTERMEDIATE SEWING (Unit 1), 9 a.m. to noon, Tuesdays, March 27; BEGINNING SEWING (Unit 1), 9 a.m. to noon, Mondays and Wednesdays, March 28; SLIM & TRIM (Minimum - 20), in cooperation with Coffee County Extension Service, 9:30 to 11:30 a.m., Tuesdays, April 3; INTERIOR DECORATING, 9:30 to 11:30 a.m., Wednesdays, May 2.

Mrs. Cleopha Nobles is coordinator for courses offered in Kinston. For information on these courses call her at 565-3197. Courses scheduled with meeting time and days, place, and starting date are: INTRODUCTORY TYPING, 6-7 p.m., Tuesdays and Thursdays, Kinston High School, March 27; INTRODUCTORY SECRETARIAL BOOKKEEPING, 7:30 to 9 p.m., Tuesdays and School, March 27; SLIM & TRIM (Minimum 20), offered in cooperation with Coffee County Extension Service at Kinston City Hall, 5:30 to 7 p.m., Mondays, April 2.

Listings of all short courses and college transfer courses are available upon request from the Registrar's office at ESJC.

Your Personal Money Management

Periodically remember that children in older age brackets are expected to purchase more from their allowances and urge your child to develop a regular savings program and include something for their each weekly allowance.

Talk about the purchases that should be covered by the allowance. Misunderstandings about money take place too frequently among adults with children, they can occur even when the allowance is not enough open discussion.

Persons admitted to Elba General Hospital during the period of March 20 - 26 include the following:

Neomi Henderson, Elender M. Bozeman, Vera Edgar, William Baker, Tishie Capps, David Jeffery Wise, Joseph Grantham, Charlie Lasseter, Corinne Daniels, Steven Adkinson, Thelma Scott, Rosa Ogelsby, Lillis Morris, Rosa Owens, Newton Nichols, Shirley Barnes, Kathy Davis, Raymond Duncan, W. LEGAL NOTICE

IN THE CIRCUIT COURT OF COFFEE COUNTY, ALABAMA

ELBA DIVISION

CASE NO. DR. 78-78

RICHARD G. JOHNSON, Plaintiff

vs.
PATRICIA LYNN JOHNSON, Defendant

In accordance with the decree of the Circuit Court of Coffee County, Alabama, Elba Division, entered in the above styled cause, said decree being dated the 21st day of November, 1978, the undersigned, Jim Ellis, as Clerk of said court, will proceed to sell, at public outcry, for cash, to the highest bidder, between the legal hours of sale, before the courthouse door in Elba, Coffee County, Alabama, on Monday, the 9th day of April, 1979, at 11:00 A.M., the following described real estate located in the Elba Division, County of Coffee, State of Alabama, to-wit:

One lot or parcel of land containing 20 acres, more or less, lying in and being a part of the NW 1/4 of SE 1/4 and SW 1/4 of NE 1/4 of Section 6, Township 5 North, Range 19 East, in Coffee County, Alabama, and being more particularly described as follows: Beginning at the Northwest corner of the NW 1/4 of SE 1/4 of Section 6, Township 5 North, Range 19 East, and run North 58 degrees 30' East for a distance of 241 feet; thence run North 16 degrees 47' East for a distance of 250 feet; thence run South 62 degrees 35' East for a distance of 1194.9 feet; thence run South 26 degrees 00' West for a distance of 755 feet to a point on the North line of County Highway No. 83, thence run in northeasterly direction along the North right of way line of County Highway No. 83 for a distance of 1159 feet to a point on the West line of NW 1/4 of SE 1/4 of Section 6, Township 5 North, Range 19 East; and thence run North 6 degrees 36' East along the West line of said forty for a distance of 382 feet to the Northwest corner of said forty and the point of beginning. Together with the dwelling and other improvements thereon.

Said sale is being made for the purpose of a division of the proceeds of said sale between the joint owners thereof.

Dated this 13th day of March, 1979,
/s/ Jim Ellis
Clerk of Circuit Court

LEGAL NOTICE

MORTGAGE FORECLOSURE SALE

Default having been made in the payment of the indebtedness secured by that certain mortgage executed by Coy Nelson and Susie C. Nelson, husband and wife, to Real Estate Financing, Inc., a corporation, on the 16 day of June, 1978, said mortgage being recorded in the Office of the Judge of Probate of Coffee (Elba Division) County, Alabama, in Volume 69-A, Record of Mortgages, at page 319, which said mort-

gage was duly transferred and assigned to Federal National Mortgage Association, a corporation organized under an Act of Congress and existing pursuant to the Federal National Mortgage Association Charter, having its principal office in the city of Washington, District of Columbia, on September 1, 1978, by instrument recorded in Misc. Book Volume 26, at page 49, in said Probate Office, the undersigned, Federal National Mortgage Association, a corporation, as transferee, under and by virtue of the power of sale contained in said mortgage, will sell at public outcry to the highest bidder for cash, in front of the Main entrance of the Courthouse at Elba, Coffee (Elba Div.) County, Alabama, on the 20 day of April, 1979, during the legal hours of sale, the following described real estate situated in Coffee (Elba Division) County, Alabama, to-wit:

Lot No. 5 of the West Canal Subdivision Addition in the City of Elba, Alabama, according to the plat of said subdivision recorded in Plat Book 1, Page 74, in the Office of the Probate Judge of Coffee County, Alabama, at Elba, Alabama.

This sale is made for the purpose of paying the indebtedness secured by said mortgage, as well as the expenses of foreclosure.

ALL AROUND COFFEE COUNTY

County Farm Agent TOM CASADY

LAWN CARE
I notice a lot of broad-leaf weeds coming up in lawns. These weeds take up moisture and fertilizer. They shade the lawn grass, take up space and are unsightly. But they are easy to kill.

2-4-D in liquid form can be bought in very small bottles. It is very effective in controlling just about all types of broad-leaf weeds. Follow directions on mixing it with water. Be careful not to spray 2-4-D on ornamental plants that you want to save. 2-4-D won't hurt grass. You may want to keep some of this on hand and spray about twice during the spring. If you have questions on the use of this material, call us at 894-5596.

GROWING
Bill Grimes of the Basin Community near Elba and Johnny Russell of Elba are remodeling and expanding in the hog business. I haven't checked the records, but I would say Coffee County is probably growing faster in the hog business than any other county in the Wiregrass.

We are telling all producers, both beef and hogs, that there will be up's and down's in the business. There will be low prices, and there will be high prices. If a grower, realizing this, it doesn't come as such a shock to him when either low prices or high prices occur. But we have a great opportunity here in this county. I hope our people will take full advantage of it.

STANDS
Good stand of corn and peanuts is one way to insure an extra 10 to 20 percent increase in yield. A real good stand of peanuts will help keep down grass which is one big advantage. Another advantage is that if a seedling disease strikes if you have just a minimum stand, the stand could be damaged whereas if you have plenty of peanuts it is not as devastating.

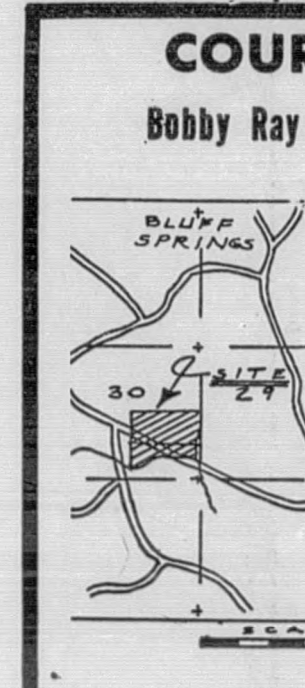

We like to be able to plant peanuts in Coffee County any time after the first of April when the weather gets right. Actually, planting anytime in April is satisfactory. In fact, the first week or so in May is perfectly okay. But later than this dry weather might come and folks would have difficulty getting a stand. Then, too, chemicals work better when there is moisture in the soil.

Some folks can always bring things along and be able to plant at just the right time. Others are still struggling and trying to plant up in May. Usually, though, the weather determines planting dates at a great deal, and I am sure this will occur this year.

INFORMATION
The Extension Office serves the people of this county in crops and livestock production, home economics, family work and Community Resource Development. You are paying the bill. We want to help you.

LOCAL WOMEN ATTEND SEMINAR --- Nearly 170 women recently for a special seminar at the Governor's House. Sponsored by the Department of Women's Bureau, the two-day seminar featured sessions on public speaking, personal motivation, several sharing shops and a fashion show. Those attending from Coffee County are (from the left): Jeanette Moates, Nadine McCall, Jewel Jones and Marie Asher.

JIM ELLIS, CIRCUIT CLERK

Jeff Dean of Chancellor, right, had the Champion Steer in the Coffee County 4-H Steer show which was held on March 5, Lynn Cotton of New Hope, left, had the Reserve Champion.

Lynn Watson of New Hope, right, won the 4-H Steer Show, Jeff Dean of Chancellor, left, was the winner of the Tom Casady Jr. Showmanship Award. If anyone is interested in showing a steer next year, now is the time to contact the Extension office at 894-5596.

Mrs. Martin's 4-H Club members were shown in the club room. The meeting was called to order by the president, Stacey Hornsby. After group singing, which was led by our song leaders, Beverly Williams and Kenny Ware, the club members presented the pledges to the American and 4-H flags.

The devotionals were given by Tim Flowers. Our secretary, Jennifer Hudson, called the roll and read the minutes of the last meeting. The minutes were approved.

4-H NEWS
Subjects discussed under business were: When we turn in our record books and what to put in them. We also talked about how to grow house plants.

The vice-president, John Hudson, introduced the program, "Growing House Plants," which was given by Mrs. Hooks. After the program, the president adjourned the meeting until next month at the same time and place.

BASIC ENGLISH AND CITIZENSHIP Offered At ESJC
Two Short Courses, BASIC ENGLISH and CITIZENSHIP are offered spring quarter at Enterprise State Junior College to assist persons who have migrated to this country in learning English and in preparing to become U.S. citizens.

Both sessions of the two courses began Tuesday, March 27, 1979. There is no fee and no prerequisite is required. Interested persons may enroll at the first meeting of each session.

BASIC ENGLISH English As a Second Language provides instruction in conversation, sentence structure, spelling, and short writing assignments emphasizing the letter, the paragraph and filling out applications. The afternoon session meets from 12:30 to 2 p.m. on Tuesdays and Thursdays; the evening session from 6:30 to 8 p.m. on Tuesdays and Thursdays. Both sessions continue through May 31.

CITIZENSHIP is primarily for those who wish to obtain U.S. citizenship but is also for anyone desiring more knowledge of the American government. Topics covered include the Constitution, the Declaration of Independence, the basic operation of the U.S. government, and highlights of U.S. history. The morning session meets from 10:30 a.m. to noon on Tuesdays and Thursdays; the evening session, from 8 to 9:30 p.m. on Tuesdays and Thursdays. Both sessions and May 31.

The courses have been scheduled so that a person may take both in the evening or during the day.

Additional information may be obtained by calling 347-0650.

Divorce: A Survival Seminar Scheduled At ESJC
A series of mini-seminars in areas of concern to newly divorced persons or those considering divorce, is scheduled at Enterprise State Junior College beginning Thursday, April 5, 1979 with an enrollment deadline March 29.

Classes will meet from 7 to 9:30 p.m. each Thursday through May 3 and no fee will be charged.

Corn, Sorghum Set-Aside Participants To Receive Money

Farmers who complied with the 1978 corn and grain sorghum set-aside programs will receive between \$285 and \$350 million in deficiency payments. Ray Fitzgerald, Administrator of the Agricultural Stabilization and Conservation Service (ASCS), said.

The payments will be made by county ASCS offices in early April. Corn payments will be between \$115 and \$165 million and grain sorghum will be between \$170 and \$185 million. Fitzgerald said that the deficiency payment rates will be determined after publication on March 30 of the national average prices received by farmers for the first five months of the marketing year. Based on the reported prices for the first four months and a preliminary report for February, the payment rate will be between four and six cents per bushel for corn and 33 to 35 cents for grain sorghum, he said.

Deficiency payments are made to program participants when the national average market price for the first five months of the marketing season falls below the established (target) price for the commodity.

The payment rate is the higher of the difference between the established price and the market price or an national average loan rate.

FUSIBLE INTERFACING
Fusible interfacing is easy to use but there are some points to remember in order to get good results.

Make sure the interfacing is compatible in weight with the silhouette and style of the garment. The interfacing should not change the natural character of the fabric. Modern making it stiffer or broader.

Most fusibles have more give in the crosswise direction. To add stability in certain areas, cut pattern pieces in the lengthwise direction. Always preshrink the garment fabric before using a fusible.

ELECTRIC BLANKETS
Be sure to wash your electric blanket before storing it away. If you kept the laundering instructions, then follow them. If you don't have washing instructions, here are some suggestions. Pretreat soiled bindings and stains by using a sudsy soft brush and scrubbing lightly. Then, wash it in warm water for a short period.

A short spin cycle removes most of the water and any remaining moisture evaporates. An electric blanket should never be put through a wringer. Blankets may also be hand-washed. Instead of rubbing, however, use a plumber's plunger to suck the suds through the fabric. This loosens the soil and eliminates lifting and squeezing the blanket.

JUNK FOODS
Some folks ask why the government allows "junk foods". In our "freedom" economy, the food processors can produce any type of food a consumer wants to buy, provided it is safe and labeled properly.

In a varied and balanced diet that contains no excess of fat, the use of junk food is not recommended. There are no such things as junk foods. There are "junkies", eating habits of course. Many of these arise from poor understanding of nutrition needs.

Treatment of rheumatic fever usually consists of a long period of bed rest for the patient, plus the use of drugs to halt the attacks of fever. Curing illness is the objective of every physician. This is also the objective of your pharmacist as he carefully compounds and dispenses prescription drugs. Our pharmacy has the most modern drugs and top professional pharmacists. Allow us to serve your needs.

Nail beggarweed in peanuts.

Spray Amiben and Premerge 3 tankmix at cracking time.

This season you can really nail Florida beggarweed. Again. With a tankmix application of AMIBEN® chloramben premergence herbicide and Premerge 3.

AMIBEN with Premerge 3 is registered for use in Georgia, Alabama and Florida. Tests, plus increasing grower use, show it's the first really effective solution to the spreading beggarweed problem.

Here's why: AMIBEN chloramben controls germinating weeds and grasses while Premerge 3, a contact herbicide, quickly burns seedling weeds that have already germinated and are just emerging. It's a "one-two" punch that knocks down beggarweeds.

AMIBEN with Premerge 3 is easy to use. Just apply at cracking time when oldest peanut plants reach two-leaf stage. Or when the first weeds become visible. Check label for correct rates and complete mixing instructions.

This season, nail beggarweed in peanuts with a tankmix of AMIBEN and Premerge 3. See your dealer and order enough to protect your entire allotment.

Use AMIBEN herbicide and Premerge 3 in accordance with label directions and only on those crops registered for their use.

AMIBEN® is a trademark of Amchem Products, Inc. for chloramben weedkillers. *Premerge 3 is a trademark of Dow Chemical Co.

AMIBEN helps nail beggarweed.

Seniors Learn About Merchandising

A vigorous campaign is going on at Zion Chapel to see who can sell the most soap. There are new soaps with names like Tickle, Wham-O, and Spring Lather. This sounds like a fund raising event but it's not. It's the project of the Seniors in the Economics Class. They are learning about merchandising and their product is soap. They have been divided into companies and have elected corporate officers who are responsible for certain phases of the business. They have \$100,000 to spend and they must decide where it would be best spent to ensure good sales.

This is a project under the supervision of Mrs. Pat Powell.

Mayor Robert Folsom aligned into effect a Proclamation presented to him by the members of the Azalea Garden Club. In doing so, the Mayor has proclaimed April 1 - 7, 1979 as Anti-Litter Week.

The Garden Club, in an effort to help beautify Elba is sponsoring a clean-up campaign during this week. However, the members of the club are interested in continuing this effort throughout the year.

They are asking for the help and support of every citizen in Elba, and they would like to see litter clean-up become a family affair in our city.

Remember! Litter is ugly. If we do not keep our city clean, who will?

Dr. Payne Is New President At Randolph-Macon College

Dr. Ladell Payne has recently been named president of Randolph-Macon College in Ashland, Virginia.

Dr. Payne has been on the Claremont Men's College (California) faculty since 1960. He received his undergraduate degree from Louisiana State University and the Ph.D. degree from Stanford University.

A native of Birmingham, Alabama, Payne is married to the former Jean Taylor of Elba, and they have two daughters, Jennifer, 11 and Lisa 12.

Lynn Mills Nominated For Honor Society

Dorothy Lynn Mills has been nominated by her sponsor to represent Elba High School in the Society for Distinguished American High School Students.

This Society is one of the most selective high school honor societies in America, and only students who have demonstrated academic excellence and displayed leadership in extracurricular and civic activities, are chosen to receive this honor.

Lynn is a sophomore, and is the daughter of Mrs. Dolores Mills of Elba.

Legion And Auxiliary To Meet

The 35th District meeting of the American Legion and Auxiliary will be held in Daleville on Tuesday, April 3, 1979, at the VFW Post. Dinner will be served at no charge. Serving will begin at 6:30 and program will be at 8:00 p.m.

Commander Haywood Grimes requests maximum participation from each post within the 35th District, and that all membership dues be brought to the meeting.

Elba Pilot Club Elects Officers

The March business meeting of the Pilot Club of Elba was held at the Elba Restaurant on March 13, 1979. The president, Agnes Wilson, called the dinner meeting to order.

Carol Fudge, chairman of the Awards Banquet, shared the finalized plans with the club. The March 24th Annual Awards Banquet was held at the Elba Elementary School Cafeteria on March 24 beginning at 7:00 p.m. All the past Men and Women of the Year were invited and were recognized during the program. The Mistress of Ceremonies was Gayle White, with Representative Jimmy Holley as the guest speaker. Councilman Jimmy Wise awarded winners of 24 first man, rescue member, and city and county law enforcement officer. The decoration committee made plans to meet at Barbara Hudson's home to make posters and decorations. The decorations committee made plans to meet at Barbara Hudson's home to make posters and decorations.

After the correspondence was read, Ann Davis gave the report of the nominating committee and the new officers for the coming year were elected. They will be as follows: President, Cynthia Holderfield; Vice President, Sybil Stivers; Recording Secretary, Nancy Crowe; Corresponding Secretary, Carol Fudge; Treasurer, Marie Asher; Directors, Ann Davis, Valerie McGuire and Agnes Wilson. Those pilots present were Marie Asher, Gene Bimbo, Nancy Crowe, Ann Davis, Carol Fudge, Cynthia Holderfield, Barbara Hudson, Carrie Jacob, Pansy Smith, Agnes Wilson, Rick Sandstra, and Valerie McGuire.

Air Force News Max Free

The sergeant, a ground radio communications supervisor with a unit of the U.S. Air Force in Europe, previously served at Croughton RAF Station, England.

Sergeant Free graduated from high school in 1957 and attended Eastern New Mexico University, Roswell, and the University of Maryland Extension at Oklawaha.

Mr. Brunson Celebrates Ninety-First Birthday

Mr. John Brunson celebrated his 91st birthday on March 18, in the home of his daughter, Mrs. Wilbur Bullock (Judith) of Hattiesburg, Mississippi. Family members who shared the occasion were Mrs. Virgil Day (Jeanne) of Chappaqua, New York; Mr. and Mrs. William Sparks (Eleanor) and sons, John Owen and David, of Tupelo, Mississippi; and Mr. and Mrs. Bullock and their daughter, Eleanor Carol Bullock McGuff.

Mr. Brunson, who was born in Victoria in 1888, is the eldest member of the Brunson family which holds its family reunion each April in Elba. Mr. Brunson has lived in Elba during all his adult years, where he has been involved in business and community life. He served as a deacon of the First Baptist Church for over 50 years and founded the Elba Exchange Bank.

Agnes Wilson, president of the Elba Pilot Club, and Barbara Hudson, Fund-Raising Chairman, presented a check to Project Independence in New Brockton, in behalf of the Club. Mrs. Renee Guthrie, director of Project Independence, accepts the donation.

SLIM AND TRIM

Weight reduction classes called Slim & Trim are being organized. If you are interested in losing about 20 pounds in 12 weeks through better eating habits, improved cooking techniques, and behavior modification change, you will want to join.

An evening class will begin Monday, April 2, at 7:00 p.m. - 8:30 p.m. A daytime class will begin Tuesday, April 3, at 9:30 a.m. - 11:00 a.m. Both classes will be held at 4th County Extension Office in New Brockton.

Call my office at 894-5596 for further information. Invite someone to attend with you. There is no charge.

Card Of Thanks

I would like to thank everyone for the flowers, cards, visits and concern for Lynn during her recent stay in the hospital.

DOLORIS MILLS

Psychology Class Pushes Bike-Hike

The psychology class of Zion Chapel High School is backing a drive for the Bike-Hike for Retarded Citizens, sponsored by New Brockton Jaycees. Patty Flowers was elected chairman of the overall project.

Psychology class members support Independence for the second time. Project

Seniors Visit E.S.J.C.

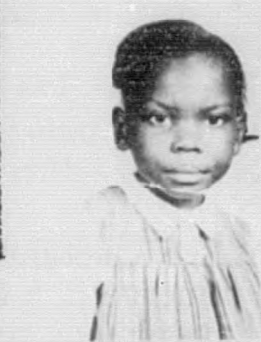

The Senior class of Zion Chapel High School took a trip to the Career Development Center at Enterprise State Junior College. Upon our arrival we were welcomed by our guides and taken to a classroom where we were shown a film on how to make decisions on finding the jobs that we would be best interested in. After the film we were taken to the Student Center for refreshments and returned to the Career Development Center and

weren't shown slides of the campus and facilities. We then took a tour of the campus and left for home.

Jan Sanders was chosen stencils chairman, Mitch Maddox, poster chairman, and Mary Anne Sheets, refreshments chairman. The class is trying to get the entire student body and community involved in the fund. Get a sponsor and ride or walk 10 miles for the support of a retarded citizen and show you really care.

Teacher Spotlight

Mr. Robert Jackson - Resources.

Happiness Is...

... Getting a tan
... The last 9 weeks of the year
... A new car
... Not having to run 5 laps in P.E.
... Warm weather
... Getting to play cards at school
... Softball season
... A promise ring
... Making A's on your report card
... Having gone to P.C. during A.E.A.
... Getting caps and gowns, invitations, and memory albums
... Making a high score on the C.A.T.
... Being able to understand the literature story you're reading
... Not falling off your new stacks
... Getting the yearbook back
... Recess
... Friday after afternoon at 2:30
... Telling all your friends about what you did over the weekend
... May 25th at 8:00 on the football field

Guess Who

Guess who, if you dare with her a lot of fun you'll share. She's a junior in high school and is far from a fool. Her name is -----

People once believed that if their palms itched they would receive money.

Her phone is ringing. Unfortunately it's ringing in the kitchen.

And she's got to get out of that nice comfy bed to answer it. Too bad! If she had an extension phone in the bedroom, she not only wouldn't have to get out of bed, she wouldn't even have to open her eyes.

If it always seems that the phone is ringing in a room you're not in, maybe you should be thinking about adding extensions. General Telephone offers them in a wide range of styles and colors.

And each and every phone is backed by all our years of experience.

Extension phones are a convenience you deserve and they're not expensive. For as little as \$12.50 per month and think of all the leg work they'll save you. No rushing. No running. No jumping out of bed.

You can't be two places at once. But your phone can.

SPORTS

Views From THE PRESSBOX

With Ricky Mulatz, Sports Editor

Spring football training ended at Elba High last week and from all indications, it was a successful spring. Coach Wood placed defense on top of his priority list and it ruled the roost early in the Black and Gold game as the halftime score stood at 0-0. The intra-squad game opened up a bit in the second half and the Tigers wound up putting on a good show for their fellow students.

I'm sure all the Elba football fans are waiting for next year with great anticipation!

We had a whole lot of fish pictures in the paper last week, and I hope all our fishing buddies enjoyed being in the spotlight. Fishing is a big sport in the local area and we at the CLIPPER are glad to show off your skills.

Softball season is only two weeks away, and it looks like Elba will have its biggest summer ever! At last count there were 14 men's teams and 5 women's teams, but I keep hearing of more and more potential entries every day. Both leagues hold organizational settings next week, and by then we'll know exactly how many teams will compete in our league. As most of you know, both the men's and women's leagues will be sanctioned this year, and that will allow THE CLIPPER to stage a men's and women's tournament on the same weekend in June. This year we hope to get all the local merchants involved and make the tournaments a city event. I'm already designing the 6 foot-high trophies that will go to the winning teams, and I'm looking forward to a "super weekend of softball."

Baseball season is upon us and the Elba High team is already practicing. A group of boys have been practicing on their own for quite a while and maybe we'll finally post a winning season.

I've been looking over the ball fields lately, and Recreation Director Dennis Smith and his crew are really doing good. They've hauled in several truckloads of dirt on the fields, and all the ball parks are looking good. By the way, the fence is up at Mulberry Heights!

The Men's Basketball League ends this week, and the top 3 teams have already been decided. National Security has already wrapped up the league title, while New Brockton finished second and Woodland Grove #2 placed third. It was a good first year of basketball and next year should be even better.

Till next week . . .

Basketball Tournament Underway

At Kingston High

The Kingston Invitational Basketball Tournament began on Monday night, March 26, and will continue until Tuesday night, April 2, at the Kingston High gym.

Three games are scheduled for tonight (Thursday) and there will be no games on Friday, Saturday or Sunday. In action tonight (Thursday), it will be the New Brockton Lions vs. the Sarason-Coffey Springs winner at 7:00 and the Opp Mill - City Dairy winner vs. the New Hope - Enterprise winner at 8:00. The semi-finals will be on Monday, April 2, at 6:00 and 7:00, with the finals and consolation set for

National Security Wins Men's Basketball League Crown

The Men's Basketball League is now in its final week of action and National Security has wrapped up the league championship by running up a record of 11-0. Going into the final week, the standings were: National Security 11-0; New Brockton 8-3; Woodland Grove 7-4; Cook Chevrolet 7-4; Magic 5-7; Dorsey Red 6-5; Controllers 5-6; Woodland Grove #1 5-6; Dorsey Black 4-6; Jaycees 3-7; Dorsey Blue 3-8; Dorsey Green 3-8; and Dorsey White 1-9.

NATIONAL SECURITY 77
NEW BROCKTON 69

National Security rallied in the final stanza to clinch the league title with a tight 77-69 win over New Brockton. The game was tied in the early going, but National Security managed to pull ahead 34-29 at the half. Brockton came right back, however, and needed ahead 49-48 going into the fourth quarter, only to fall in the game. Albert Tyson poured in 28 points to pace National Security, while Ted Fillingim scored 20 for Brockton. National Security (77): F. Christian 12, B. Christian 4, A. Tyson 28, W. Tyson 10, Covington 8, Rayburn 15.

WOODLAND GROVE #2 85
CONTROLLERS 74

Woodland Grove #2 Robert Boyd poured in 27 points in the second half to pace his team to an 85-74 win over the Controllers. The two teams battled to a 38-38 tie at the half, but Woodland Grove nudged ahead

on 52 percent from the field and 65 percent from the foul line. During his outstanding senior year, Wood was also named All-Area.

Also named All-SAC were: King, Stoudemire, and Anderson, Opp; Thomas and Lewis, of Eufaula; Fayson and Wright, of Troy; Jackson, of Pike County; Cole, of Dale-

ville; Tillman, of Andalusia and Hyland, of Geneva.

Troy's Daron Fayson and Eufaula's Michael Thomas were named "Co-Players of the Year," while Troy's Bobby McCracken was named as the "Coach of the Year." Opp won the S.A.C. basketball title.

Wayne Abridge and Tommy Barefoot killed 21-pound turkey early Wednesday morning. The

hunters reported they worked for about an hour and a half before they bagged the gobbler.

Reb Bludsworth killed this 13-pound turkey Monday afternoon while hunting near Elba. Reb said he got 'em with his "special turkey call."

J. B. Kidd holds a stringer filled with fish he caught last Tuesday at the County pond. The five crappie weighed a total of 7 3/4 pounds, and the

60-58 going into the final stanza and pulled away for the win. Robert Boyd finished the night with 34 points to lead Woodland Grove, while Terry Barnes added 30 in a losing cause.

WOODLAND GROVE #2 (85)
CONTROLLERS (74)

Woodland Grove #2 Robert Boyd finished the night with 34 points to lead Woodland Grove, while Terry Barnes added 30 in a losing cause.

DORSEY GREEN 102
DORSEY WHITE 68

The Dorsey Green claimed its third win of the season by rolling up a 102-68 win over Dorsey White. The Green squad led only 45-32 at the half, but got cranked up late in the game to "bust the clock."

Willie Lowe poured in 49 points to lead the winners, while Tommy Dewberry paced the losers with 21.

DORSEY GREEN (102): Bannin 2, Lowe 49, Marston 22, Culver 8, Thomas 21, Crawford 2.

DORSEY WHITE (68): Dewberry 21, Farris 6, Jones 12, Collier 18, Adkins 12.

MAGIC 8 89
JAYCEES 87

The Magic 8 exploded for 53 points in the second half to bury the Jaycees 89-87. The Magic 8 got off to a slow start and led only 18-14 after one quarter, but they got their running game cranked up in the second half to post the victory. Max Fuller and Lamar Sasser scored 25 points apiece to lead the winners, while Joyce

Fuller Brothers at 8:00. Skinner Furniture meets Peoples Bank at 9:00 and Yanahia meets Wises at 10:00. In Friday night action, it will be R. Deposti vs. the U.S.A.C. - Thorn and Walton winner at 7:00, Highland Home vs. the Pigglywiggly - Fuller Brothers winner at 8:00, Kyles Flying Service vs. the Skinner

defense, but we had a lot of holes to fill. However, our young people came along and did a good job in the jamboree.

Joseph Godwin has looked real good at defensive-end and he should make us a fine one.

"Overall," continued Murphy, "spring training has gone real well. We've had no serious injuries and the boys have done everything we've asked. We still have three days to practice and we'll use that time to correct the mistakes we made in the jamboree. We'll also work real hard on our passing game and kicking game."

In closing, Coach Murphy stated, "After this week we'll be in shape to take on the week and then hit the weights."

New Brockton Gamecocks Blank Houston Academy

The New Brockton Gamecocks participated in the Wicksburg Football Jamboree last Friday night and posted an impressive 14-0 win over Houston Academy in a two quarter contest.

The game was deadlocked at 0-0 after one quarter, as both defenses shined, but the Gamecocks broke loose in the second stanza to claim the win.

The initial Brockton tally came when Danny Haynes dashed 22-yards to paydirt. Phil Freeze added the extra point to put the Gamecocks on top 7-0. Brian Dunaway recovered a Houston Academy fumble late in the quarter on the Houston Academy 18-yard line, and on the next play Brockton's Terry Medley raced in for the touchdown. Fr-

ese again booted the extra point to make the final score 14-0.

New Brockton Coach Jim Murphy was pleased with his team showing in the jamboree and stated, "We dressed out the boys and everyone got to play. We were real pleased with the boys effort and enthusiasm, and it was a good win."

"Our primary concern when spring training started was to find a quarterback," said Murphy. "And I think we've found two good ones. Keith Roberts started at quarterback for us in our last two games last season and he did a fine job in the jamboree, as did young Ricky Sipper. Both boys will make us real good players. We returned 6 players on

defense, but we had a lot of holes to fill. However, our young people came along and did a good job in the jamboree.

Joseph Godwin has looked real good at defensive-end and he should make us a fine one.

"Overall," continued Murphy, "spring training has gone real well. We've had no serious injuries and the boys have done everything we've asked. We still have three days to practice and we'll use that time to correct the mistakes we made in the jamboree. We'll also work real hard on our passing game and kicking game."

Softball Meetings Set For

April 2 & 3

Recreation Director Dennis Smith has announced that softball organizational meetings will be held on Monday and Tuesday, April 2 and 3, at the Recreation Center.

Smith reported that anyone interested in entering a team in the Men's League must be present on Monday, April 2, at 7:00.

The Women's League will hold their meeting on Tuesday, April 3, at 7:00, and anyone wishing to enter a team must be present.

Starting time for the Men's League is tentatively set for April 16, while the Women's League will start on April 17. Team schedules, rules and entry fees will be discussed at the meetings and anyone wishing to enter a team in either league must attend!

Disco Dance Set For Friday Night At Rec. Center

The Elba Recreation center, in cooperation with Music City of Enterprise, will sponsor a Disco Dance on Friday, March 30, at 7:00 at the Recreation Center.

Admission will be \$2 per couple, or \$1.50 a person, and there will be a dance contest and door prizes.

Board Considers

Ban On Turkey

Decoys

Members of the Conservation Advisory Board have recommended to recently-appointed Conservation Commissioner Dick Forster that the Conservation Department consider regulations which would ban the use of turkey decoys.

Meeting at Eufaula, the Advisory Board made its recommendation to Forster on March 16.

Forster said the Conservation Department would seek the advice from persons with an interest in wild turkey hunting before making a decision.

The new conservation commissioner said a decision will be made before the opening of the Fall, 1979, turkey hunting season.

Interested persons can send their comments to the Game and Fish Division of the Department of Conservation, 728 Administrative Building, Montgomery, Alabama 36130.

Jim Rogers Earns Letter

In Soccer

Jim Rogers of Elba has been awarded a varsity letter in soccer at the McCallie School in Chattanooga.

Rogers, a senior, was one of 36 soccer players honored at McCallie's winter sports banquet. Rogers, son of Mr. and Mrs. J. T. Rogers of Elba, was a starter on McCallie's first soccer team in eight years to go undefeated in the regular season. Their only loss came in the state tournament, where they finished third.

McCallie is an independent college preparatory school with interscholastic teams in ten sports.
